

9TH EUROPEAN NONLINEAR DYNAMICS CONFERENCE

June 25-30, 2017

Budapest, Hungary

Department of Applied Mechanics
Budapest University of Technology
and Economics

FIRST ANNOUNCEMENT

Conference Bureau
CongressLine Ltd.
1065 Budapest,
Révay köz 2.
Hungary
Tel: +36 1 429-0146
Fax: +36 1 429-0147
E-mail: revhegyi@congressline.hu

ENOC 2017 website

ABOUT ENOC

-

ENOC conferences are the premier scientific events in the broad area of nonlinear dynamics, held every third year in a European city.

EUROPEAN NONLINEAR OSCILLATIONS CONFERENCE COMMITTEE (ENOCC)

-

Giuseppe Rega, Italy
(Chair ENOCC)

Vincent Acary, France

Matthew Cartmell, UK

Felix Chernousko, Russia

Oded Gottlieb, Israel

Andrei Metrikine, The Netherlands

Remco I. Leine, Germany

Pedro Leal Ribeiro, Portugal

Alois Steindl, Austria

Gábor Stépán, Hungary

LOCAL ORGANIZING COMMITTEE

-

Gábor Stépán (*chairman*)

Gábor Csernák (*secretary*)

Péter Beda

Gábor Domokos

Zsolt Gáspár

János Józsa

György Károlyi

Gyula Patkó

Tamás Tél

János Vad

IMPORTANT DATES

-

September 2016

Call for papers

December 2016

Submission of 2-page abstract

February 2017

Notification of authors

April 2017

Early-bird registration

Submission of final paper (*optional*)

LOCATION AND VENUE

-

The conference will be held at the Budapest University of Technology and Economics located in the centre of Budapest within walking distance to the downtown.

CONFERENCE TOPICS

-

- Models and methods
(analytical, numerical, experimental)
- Qualitative and quantitative analyses
- Continuous, discontinuous
and hybrid systems
- Bifurcation and chaos
- Control of oscillations and chaos
- Applications and problems from any
discipline of engineering sciences
- Cross-disciplinary topics from applied
mathematics, physics, bioscience,
medicine, and other related disciplines
